OVERVIEW

Starting from Auckland and travelling through iconic Rotorua, scenic Taupo and dramatic Tongariro before finishing in Wellington. This tour will let you see the North Island of New Zealand in style.

Set off from the largest New Zealand city and down the east coast towards the rolling hills and coast of the Coromandel. Delve inland through geothermal Rotorua, a key area of Maori culture, towards Lake Taupo and the looming Tongariro Pass. Finally we skirt through wineries and a bird sanctuary to soak in the capital city of Wellington.

Beautiful vistas, scenic mountains, volcanoes and serene beaches with many activities included in the price, contact us now to find out more.

Day 1: Auckland To Hot Water Beach

At the start of our tour through North Island we head off from the bustle of Auckland along the coast and up through the beautiful Coromandel Forest Park to scenic Cathedral Cove. Here you can relax or undertake in optional sports activities before we travel to the famous Hot Water Beach. Dig your own hot-tub right in the sand and enjoy this geothermal beauty spot.

Day 2: Hot Water Beach To Rotorua

Setting off from Hot Water Beach we travel through Whangamata, voted New Zealand's most beautiful beach 2018 on our way to Tauranga. We also trek to the Blue Spring in Putaruru, the source of the majority of New Zealand's fresh bottled water before arriving in Rotorua.

Day 3: Rotorua

Today is a real special experience as we spend the day visiting a Maori Village and geothermal spot. A warm welcome, geothermally cooked food and an amazing cultural show will make this an unforgettable experience during your tour. We then stretch our legs in the serene redwood forest hike around Rotorua.

Day 4: Rotorua To Taupo

Starting from Rotorua we begin a busy day's trip. First, we explore the thermal wonderland of Wai-O-Tapu where you will be treated to the most unique, colourful displays of volcanic activities on offer. Next, we arrive in Taupo and walk along the magnificent Waikato river to the chilly looking Huka Falls. Enjoy the stunning town before our next day's big excursion.

Day 5: Taupo/Tongariro

As we are so centrally situated, we have a choice of activities all setting off nice and early; those after a relaxed day can visit local attractions including the Aratiatia Rapids and Maori Rock Carvings. Those feeling more adventurous can undertake the Tongariro Alpine Crossing, ascending the Devil's staircase and past Mt Ngaurahoe. One of the best one-day hikes available and views to remember forever.

Day 6: Taupo To Foxton Beach

After a long day of walking and travel here is a day to unwind and relax. After passing through Napier we arrive at Hastings for a cycling wine tour. Explore the local vineyards and indulge in some high quality food and drink without the worry of driving yourself home afterwards!

Day 7: Foxton Beach To Wellington

Another early start gets us to Paraparaumu beach where we set sail for Kapiti Island. A 6 hour tour lets you experience the beautiful bird life and flora native to New Zealand in this nature reserve. We then make way southward to our final destination of Wellington.

Day 8: Wellington

Our last day begins in the buzzing city of Wellington after a hearty breakfast. Here you can visit the spectacular Te Papa museum and take a scenic trip to the nearby mount Victoria, before we finally part ways at the end a hopefully an unforgettable trip
